## COVID-19 Update

With the Coronavirus (COVID-19) situation changing on a daily basis, we at Christchurch Investment Management Limited are constantly reviewing its impact on our staff and clients and are making every effort to continue to deliver our services as efficiently as possible.

Please be assured that our client and staff health and safety is paramount and we are taking steps to ensure office coverage, whether in our London office or remotely as social distancing becomes more important.

In the short term, our London office will be closed for client/provider meetings and we will therefore be conducting meetings, where required, by telephone or video-conferencing.

In light of reduced numbers in the office, there may be a delay in answering the telephones. In this instance, please leave a message and we will return your call as soon as possible. Alternatively, you may prefer to call on the following direct numbers:-

Anthony Walters	-	07785 256 578
David Thornberry	-	07979 241 425

It would, of course, be preferable to communicate via email or telephone, where at all possible, although you should not include any *personal* details in an 'open' email to ensure data security. Should post be the only option, please ensure you include our full company name in addressing the envelope, i.e. Christchurch Investment Management Limited.

We would like to thank you for your patience through these unprecedented times and hope you can stay healthy and safe through the coming months.
